COVID 19 Guidelines / Summer 2021

Prescreening, COVID 19 Symptoms and Protocols

- Parents must screen their child for COVID 19 symptoms before dropping off their child to Kids Club. Students need to stay home if they are sick. If a child becomes sick while attending Kids Club, staff will ask parents to pick up their child immediately.
- COVID 19 protocols such as maintaining social distancing, handwashing, and frequent cleaning of high touch areas will occur throughout the day.

Masks

- Students must follow the mask guidelines. Students and staff are asked to supply their own mask. Disposable masks will be available if needed.

Exposure

- If a child has been exposed to someone diagnosed with COVID-19, they (and their siblings) must stay out of the program for 14 calendar days after exposure. They should monitor health conditions and contact a medical provider if symptoms of COVID-19 develop. We will follow the MDH decision tree to determine when a child may return back to the program.

Exposure and charges

- parents/guardians will not be charged for dates of care for the child. A doctor's slip is required to verify the quarantine.

Social Distancing

- Students, staff and families are encouraged to follow social distancing guidelines. Activities and offerings have been modified with social distancing in mind.

COVID-19 Changes

- By the time this document goes to print, COVID policies and procedures may have changed. We will notify families of changes via email as well as through the Remind App.

Participants

- Kids Club is a childcare program for preschool through grade 5 students. Preschoolers need to be enrolled in a preschool program. Our program offers a safe, supervised and fun care plan for your child. The program provides structured activities as well as time for open play and recreation. The program does not discriminate on the basis of race, gender, creed, or national origin in its enrollment policies.

Specific dates and times of attendance must be stated on the registration form. We ask parents to provide this information so that we have adequate supervision for the students. - We require a two-week notice to change your schedule/contract.

KIDS CLUB BEHAVIOR POLICY / Summer 2021

Kids Club is designed to offer an environment that provides a positive, safe, and pleasant atmosphere that meets the developmental level of the age group, provides space for socialization and independence, and maximizes the capacity of staff supervision. The purpose of the policy is to provide clear expectations between staff, students, and families.

1. Behavior Procedures:

Kids Club staff will guide children's behavior by providing a positive model of acceptable behavior. Children are taught to use positive and constructive communication to resolve conflict.

- a. **The program rules are concisely stated: Be Safe... Be Respectful...Be Appropriate...Be kind.....**

2. How disruptive behaviors are handled by Kids Club Staff.

- a. If a child's behavior becomes disruptive, threatening, or destructive, staff shall:
 - i. Attempt to positively re-engage the child in the activity or re-direct him/her to a different activity.
 - ii. Restore order without loss to the child's self-esteem.
 - iii. Intervene to protect the child and others involved.
 - iv. If a child is treated poorly by another child, a "restorative justice" meeting is held between the two children and a staff person where both children and staff work together to make the situation right.

- b. If the child continues the threatening or disruptive behavior, staff shall:
 - i. Help the child to understand the problem with the behavior.
 - ii. Explain the immediate and related consequences of continued misbehavior (loss of turn, time away, etc.)
 - iii. Attempt to re-engage or re-direct the child to another activity.
- c. If it becomes necessary for the child to take a time out, s/he will be seated in an area that is within sight and hearing of a staff member who will supervise the time out. The length of the time out will be contingent on the child's stopping and controlling the behavior that caused the separation. After the child regains self-control, staff shall praise the child, discuss constructive ways of dealing with feelings, and encourage the child to utilize positive, helpful behavior. Separation is also used for children who need a quiet space to calm down. The child will be returned to the group as soon as the behavior stops and they are ready to be a helper.
- d. No child shall be subjected to corporal or psychological abuse by staff. No child shall be handled roughly, subjected to emotional abuse, punished for a bathroom accident, or have food, light, or warmth withheld as punishment. No child shall be physically restrained other than staff physically holding a child when containment is necessary to protect the child or others from harm.

3. Dismissal of a student:

- a. The staff reserves the right to request dismissal from the program if the child's needs or those needs of the other children are being compromised:
- b. Examples of dismissal behaviors
 - Children's safety is at risk (Hitting/biting/kicking other students)
 - Staff's safety is at risk (striking a teacher)
 - Policies are not being followed
 - Child's needs are not being met
 - Child is not adjusting to the program
 - Discipline used is ineffective
 - Constant bullying
 - Inappropriate touching of a person's body or belongings
 - Theft
 - Excessive inappropriate language
 - Any other infraction that jeopardizes the health, safety or welfare of the students or staff.

- Destruction to property or purposely destroying program supplies.
- c. If repeated attempts to correct unacceptable behavior, or if the behavior is severe enough to warrant a suspension or dismissal, staff shall observe and record the behavior and:
 - i. Remove the child from the area or activity.
 - ii. Staff will contact the parent and parent may have to pick up the child. If you have been notified that your child has had a behavior incident, you are required to pick up your child within the next 30 minutes from receiving the phone call. Failure to do this could result in immediate removal from the program.
 - iii. The child will then be given one of the four behavior level slips.

4. Behavior Slips

- a. Depending on the severity and frequency of unacceptable behavior, one of four behavior slips will be given.
 - i. **1st Level Yellow Slip:** Parents/guardians will be informed that their child was given a yellow slip. The slip will be put in the child's file and will remain for 1 year.
 - a. If a child is to receive repeated yellow slips in one year, a parent meeting will be called to determine how to best handle the disruptive behavior.
 - ii. **2nd Level Orange Slip:** Parents/guardians will be contacted and a one-day suspension on their child's next scheduled Kids Club day will occur (fees will still be charged). Parents/guardians will be notified that should a subsequent incident occur, the child will need to take a one-day leave of absence from the program.
 - a. Charges will be assessed for behavior leaves resulting in a one-day suspension.
 - b. Examples of a behavior for an orange slip includes; repeated non-cooperation with staff, back-talking, not following directions that disrupts the entire room.
 - c. Three Orange slips in a year will result in dismissal for 6 months.

- b. Examples of a blue slip include fleeing the room/building/group, destruction of property.
- c. Two Blue slips in a year will result in dismissal for 6 months.
- iv. **4th Level Pink Slip:** Parents/Guardians will be notified that alternate care will be needed immediately. The child will not be able to return to the program. Charges will end on that date.
 - a. If a child has been removed from our program due to a 4th level pink slip, they are removed for a minimum of 6 months.
 - b. Example of a level four would be severely injuring another child or staff, violent outbursts, or displaying multiple dismissal behaviors simultaneously.
